Kicked By A Mad Horse

Samuel Birch, of Beetown, Wis., had a most narrow escape from losing his leg, as no doctor could heal the frightful sore that developed, but at last Bucklen's Arnica Salve cured it completely. Its the greatest healer of ulcers, burns, boils, eczema, scalds, cuts, corns, cold-sores, bruises and piles on earth. Try it. 25c at Haynes & Taylor's and Jas. H. Orme's.

UNION GROVE

(delayed from last week.)

Mr. Andrews and wife, of Starr, were the guests of D. B. Wiggington and family Saturday and Sunday.

D. B. Wiggington and wife gave an Easter dinner at noon Sunday to a large number of their children and their grandchildren, and the best thing of it all was there were four generations at the table at one time. It was a pleasant affair; fine feast and a beautiful day.

Is it not strange that some people forget to keep the Sabbath day holy?

Please come to Sunday School and help us to help some one. We all need to know the way from this to a better world, and I know of no better way to learn the way than the study of the bible and no better place to study it than in the Sunday School. So get up early and get ready to come and bring the children.

Walter Wiggington gave his wife a treat to a nice poultry fence around the garden; a nice arbor for the grape vines and nice coops for her young chickens. All take notice and govern yourselves accordingly.

Watch the 28th, don't get scared—it is just going to be an eclipse of the sun.

We have had plenty of rain—getting about right for fishing. I would be glad we could get the Record-Press twice a week. What say you Bro. Jenkins?

COMFORTING WORDS

Many a Marion Household Will Find Them So.

To have the pains and aches of a bad back removed; to be entirely free from annoying, dangerous urinary disorders is enough to make any kidney sufferer grateful. To tell how this great change can be brought about will prove comforting words to hundreds of Marion readers.

G. B. Johnson, 413 Gum St., Marion, Ky., says: For five years I suffered from kidney complaint, brought on by hard work. Whenever I caught cold, it settled on my kidneys and at such times my suffering was aggravated. The kidney secretions were irregular in passage and I was often obliged to arise during the night. There was a dull pain in the small of my back and when I arose in the morning, I felt lame and stiff. I tired easily, was nervous and also had dizzy spells. When Doan's Kidney Pills came to my attention, I procured at Haynes & Taylor's drug store and after I finished the contents, I was cured. It gives me pleasure to state, that time has proven the cure to be a permanent one. You are at liberty to publish this statement for the benefit of other kidney sufferers.

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other. A20-27

Your writer had the pleasure of spending several days in Blackford last week.

Right here I think would be a nice place to drop a thought to the public, as others saw him. A fine looking deacon was endeavoring to impress upon the young minds of a class of boys importance of living a Christian life. "Why do people call me a Christian," boys? He said smiling down upon them. There was a moment's pause, then a voice was heard to say, "Because they don't know you." Brethern be careful when in touch with little ones and don't try to deceive them.

To the Sunday Schools

As the Sunday Schools of this county are a little behind this year, and as this month and next is the best time for collecting statistics, all schools that are not organized are urged to begin at once, so that they may be visited right soon.

Let the Superintendent of the many different schools urge that each student prepare to give a small contribution to the Kentucky S. S. Association and do this at the time your School is being visited.

Let every District Secretary go or send a visitor to every School and urge the cause of the S. S. and ask for a contribution, after which he should get as many too, as possible to pledge themselves to pay a small amount at a given time, say by the thirtieth of May this paper should be left with the Supt. of the District in which the School is located.

All district secretaries bear in mind that their duty is to see where would be the most convenient place to hold their district Conventions at which all reports should be turned in to the Co. Sec'y so we can prepare for the Co. Convention, if we can, let us hold all district conventions by June thirtieth.

If any of the district secretaries need any blanks, cards, or reporters, I shall take great pleasure in sending them to them.

Why not let Crittenden County come to the front this year and to do that we must put some time and labor into the convention for this is the place we make our final reports. Let us ever abound the Lord and his work.

Hair Beautifier.

Refined women The World Over Use It

Miss Alice Balmer, 133 S. 3rd St., Reading, Pa., knows that there is nothing so good for hair and scalp trouble as Parisian Sage. On June 8 1910, she wrote: "I am using Parisian Sage two or three times a week and it is certainly fine. It keeps my scalp nice and clean and it cured my dandruff. I have no dandruff now. It makes the hair lustrous and fluffy and keeps it from falling out."

We urge every woman who loves radiant and fascinating hair to Haynes & Taylor's today and get a large 50 cent bottle of Parisian Sage. They guarantee it to cure dandruff, falling hair and itching scalp, or money back. A13-27.
